When I Grow Up Camp

Camp Spotlight

June 18—22, 2018
9:00 a.m.-2:00 p.m.

A doctor, a cook, a firefighter, the possibilities are endless! Our campers will be exploring different careers. Meet the firefighter who puts out the fires in your neighborhood and the dentist who works down the street. These are just a few examples of everyday people working the careers they love! What a great opportunity to let your child explore their dreams while learning and having fun.

Monday: Dentist How many teeth have you lost? Today campers will learn about the Dentist. They will have fun activities to play as they learn about good dental hygiene. Come join us for a fun filled educational day.

Tuesday: Firefighter Campers will learn about firefighters and fire safety and have lots of fun activities ! It is sure to be a great time.

Wednesday: Hair Stylist/Salon Worker Campers get to use their creativity and come up with some fun ways to doll people up.

Thursday: Veterinarian Campers will learn about the Veterinarian who helps keep our pets healthy. We will also have some fun activities for the campers to play as we learn about caring for and loving our furry creatures.

Friday: Cook (Pizza Parlor) What a great way to end the week Campers will get to put together and design their own pizza box. They will learn what it means to be a Cook! Lots of fun activities and treats to end the week!
