To all Foreign Gyms:

If you would like to compete in our meet, then I need for you to do the following:

You will need to contact USAG and register both the athletes and the coaches to obtain a USAG Number or send me a list of all athletes and coaches, along with \$25 each and I will register them for you. I need for you to send only the first and last name. USAG will only accept one last name. I need to know if they are male or female and their birthdates. Coaches must also obtain a USAG number in order for their students to compete.

Next, you will need to return to the flyer and click on the link to register your team. You may send the roster via email, but they will not be entered into the meet until all monies have been received. You can pay the fees by sending a check to the address listed above or you can wire the fees. If you want to wire the fees, please email me at the address listed above and I will give you directions on how to wire the fees to us. You can also pay by credit card, but there is a 3% admin fee to process.

If you choose to obtain the USAG numbers yourself, please include the USAG numbers on the roster. If you would like for me to obtain the USAG numbers then add \$25 for each athlete and \$25 for each coach when you send your payment and I will obtain their USAG numbers for you. USAG also charges \$25 each so the cost is the same.

If you have any questions, please email me at Ronica@vssg.lvcoxmail.com If you call the gym, you may not get anyone that can answer your question, or we may not be open due to the time changes. Email is most efficient, but if you need to call the number is: 1-702-259-5020.

Yours truly,
