To all Foreign Gyms:

If you would like to compete in our meet, then I need for you to do the following :

You will need to contact USAG and register both the athletes and the coaches to obtain a USAG Number or send me a list of all athletes and coaches, along with \$30 each and I will register them for you. I need for you to send only the first and last name. USAG will not accept more than one last name. I need to know if they are male or female and their birthdates. Coaches must also obtain a USAG number or they will not be allowed on the competition floor.

Next, you will need to return to the website and click on the link to register your team. You may send the roster via email, but they will not be entered into the meet until all monies have been received. You can pay the fees by sending a certified check or money order to the address listed above. You can also pay by credit card, but there is a 3.5% admin fee to process.

If you chose to obtain the USAG number yourself, please include the USAG numbers on the roster. If you would like for us to obtain the USAG number then add \$30 for each athlete and \$30 for each coach when you send your payment in addition to your entrance fee and I will obtain their USAG numbers for you.

If you have any questions, please email me at [ronica@vssg.lvcoxmail.com](mailto:ronica@vssg.lvcoxmail.com) If you call the gym, you may not get anyone that can answer your question, or we may not be open due to the time changes. Email is most efficient, but if you need to call the number is: 1-702-259-5020.

Yours truly,
